

Complete this form to calculate your Newfoundland and Labrador direct equity tax credit. This credit can be used to reduce your Newfoundland and Labrador tax payable.

You can claim this credit for investments in eligible shares you acquired in 2017 (that you did not claim on your 2016 return) or in the first 60 days of 2018.

You can carry unused credits forward for seven years or back three years. The maximum credit you can claim is \$50,000 per tax year including any unused amounts from other years.

If you are filing electronically, keep a copy of the documents for your records in case we ask to see them later. If you are filing a paper return, **attach a copy** of your NL DETC-1 receipt(s) to this form and include it with your return.
