

T1-2018

Canada Pension Plan Contributions and Overpayment for 2018

Schedule 8

Complete this schedule and **attach** it to your return to calculate your required Canada Pension Plan (CPP) contributions or overpayment for 2018 if you were a **resident of a province or territory other than Quebec** on December 31, 2018, and have **no earned income from the province of Quebec**.

Do not use this schedule if any of your T4 slips have Quebec Pension Plan (QPP) contributions. Instead, get and complete Form RC381, Inter-Provincial Calculation for CPP and QPP Contributions and Overpayments for 2018.

Complete the parts that apply to you.

Part 1 – Complete this part if you are electing to stop contributing to the CPP or revoking a prior election.

Part 2 – Complete this part to determine the number of months for the CPP calculation.

Part 3 – Complete this part if you are reporting employment income.

Part 4 – Complete this part if you are reporting **only** self-employment income or other earnings for which you are electing to pay CPP contributions.

Part 5 – Complete this part if you are reporting employment income **and** self-employment income or other earnings for which you are electing to pay CPP contributions. You must first complete **Part 3**.

For more information, see line 222 in the guide.

Part 1 – Election to stop contributing to the Canada Pension Plan or revocation of a prior election

If in 2018 you were 60 to 70 years of age, you received a CPP or QPP retirement pension, and you had employment and/or self-employment income, you were considered a CPP working beneficiary and you were required to make CPP contributions. However, if you were at least 65 years of age but under 70, you can elect to stop paying CPP contributions.

If you have **employment income** for 2018 and elected in 2018 to stop paying CPP contributions or revoked in 2018 an election made in a prior year, you should have already completed Form CPT30, Election to Stop Contributing to the Canada Pension Plan, or Revocation of a Prior Election, and sent it to the CRA and your employer(s).

If you had **only self-employment** income for 2018 and elect in 2018 to stop paying CPP contributions on your self-employment earnings, enter in **box 372** below the month in 2018 for which you choose to start this election. The date cannot be earlier than the month you turn 65 and you are receiving a CPP or QPP retirement pension. For example, if you turn 65 in June, you can choose any month from June to December. If you choose the month of June, enter 06 in box 372 because June is the sixth month of the year. If in 2018 you are revoking an election made in a prior year on contributions for self-employment earnings, enter in **box 374** below the month in 2018 for which you choose to revoke this election. Your election remains valid until you revoke it or you turn 70. If you start receiving employment income (other than employment income earned in Quebec) in a future year, you will have to complete Form CPT30 in that year to keep your election valid.

If you had **both** employment income and self-employment income in 2018 and wanted to elect to stop paying CPP contributions in 2018, or to revoke in 2018 an election made in a prior year, you should have completed Form CPT30 in 2018. An election filed using Form CPT30 applies to all income from pensionable earnings, including self-employment earnings, as of the first day of the month after the date you gave this form to your employer. If you completed and submitted Form CPT30 when you became employed in 2018 but your intent was to elect in 2018 to stop paying CPP contributions or to revoke an election made in a prior year on your self-employment income before you became employed, enter in **box 372** below the month you want to stop contributing, or if you want to revoke in 2018 an election made in a prior year, enter in **box 374** below the month you want to resume contributing. If you did not complete and submit Form CPT30 for 2018 when you became employed, you cannot elect to stop paying CPP contributions or revoke an election made in a prior year on your self-employment earnings for 2018 on this schedule. To be valid, an election or revocation that begins in 2018 must be filed on or before June 15, 2020.

I elect to **stop** contributing to the Canada Pension Plan on my self-employment earnings on the first day of the month that I entered in box 372.
